After breakfast, checkout from the hotel and proceed towards Hospet. On arrival at Hospet, check-in at a hotel and have rest. Later visit Mahanavami Dibba- the tallest structure that provides the complete view of the city. It seems like a square shaped stage from a distance but as one goes closer to it, the details of the structure are clearly visible in three parts. On the staircase the carvings of elephants and horses are made while there are other carvings on the front part. Annually pompous celebrations are held, hence this also contains a photo gallery for the foreigners. This is a huge structure with no shades, therefore, mornings and evenings are the best time to visit this place. The interior of this structure is very stunning as it is ornated with graceful arched corridors, lotus shaped fountains and projecting balconies. Overnight stay at the hotel.

Moreover it is the largest temples in Hampi located near the banks of the River Tungabhadra.
